Just print, laminate, and go!

Addition and subtraction problems are in pairs. Students can relate the difference of a subtraction problem to the sum of an addition problem. Have student match them individually or print two sets of the same color and have them race to see who can match the fastest!

Broken into three levels:

Blue: 3 digit only with some 2 digit.

Purple:. 1, 2, & 3 digit

Red: 3 & 4 digit only
